Site Mat

Portable spill containment that contains fuels and oils while letting rain water flow through the mat.

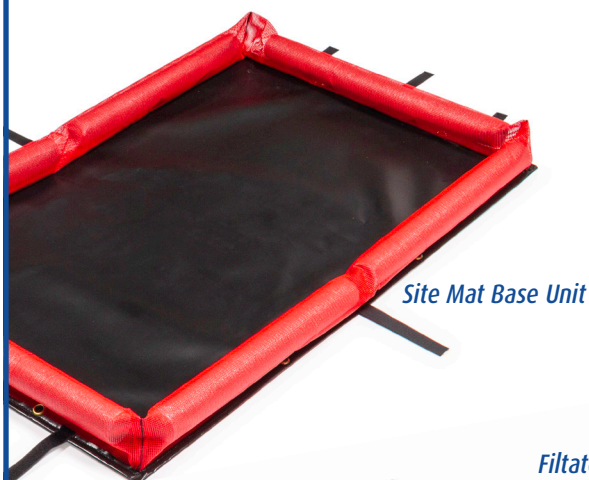

Site Mat: Portable, On-Site Spill Protection

Outdoor Solutions For Portable Spill Prevention and Containment

Developed to provide quality, on-site spill protection solutions, the Site Mat protects the surrounding environment from oil and fuel contamination. Offered in four size options, Site Mats with the Filtatech Smart Liners are ideal for:

- Small equipment storage and servicing
- Site pumps and generators
- Vehicle and large equipment maintenance

Filtatech Smart Liners combined with the Site Mat selectively absorbs hydrocarbons while allowing the free flow of water.
